Our Philosophy

At Bottle & Branch, our approach to wedding floral is an extension of our guiding principle to highlight the beauty in nature while customizing every aspect to reflect what is uniquely you. While we certainly appreciate inspiration images to kickstart the creative process, we highly value clients who trust in our abilities to deliver end results that are completely unique, as opposed to merely replicating visual examples.

Pricing

- Bride bouquet average: \$150
- Bridesmaids bouquets average: \$75
- Boutonnieres: \$20
- Corsages: \$40
- Centerpieces: \$65 small (approx. 8"), \$90 medium (approx 12"), \$125 large (approx 15" and up)

Personals and centerpieces can be picked up from our Chicago-based studio or delivered directly to the wedding venue for an additional fee.

Full Service

Full-service weddings are those that include personals (bouquets, boutonnieres, corsages), centerpieces/ tablescape, aisle and/or altar adornment, candles, décor and setup/breakdown. Our full-service wedding minimum is \$5000, and includes consultation, a complete proposal with inspiration images, a toss bouquet and cake floral.

A la carte

A la carte wedding services are priced based on pickup or drop-and-go delivery, with room coordination and setup executed by others. Personals and centerpieces can be delivered directly to the wedding venue or can be picked up from our Chicago-based studio by your event planner or designated day-of contact. A la carte pricing is as follows, with the average listed below taking a range of flower varieties into consideration. A surcharge would be applied for out-of-season requests or premium varieties.
